Step aboard Dakota (ex-Lady M), a 39-metre (127-foot) sailing superyacht that marries refined elegance with thrilling capability. Conceived by the renowned Dubois design studio and realized in lightweight aluminium by Fitzroy, she offers the poise, efficiency and structural strength that experienced mariners value. Her distinctive four-stateroom layout is crafted to maximise both comfort and privacy, while thorough refits in 2022 and 2025 have refreshed systems, finishes and deck equipment to present her in immaculate, turn key condition. From the clean sweep of her silhouette to the tactile warmth of richly appointed interiors, every surface and system reveals meticulous workmanship and an uncompromising pursuit of excellence, transforming Dakota from a mere vessel into an ode to the sailing life.

Equal parts luxury yacht, bluewater cruiser and performance sailing yacht, Dakota is an inspired selection for connoisseurs seeking an ocean going superyacht with genuine character and impressive range. Perfectly suited as a world cruising yacht, private superyacht or premium charter sailing yacht, she balances comfort, speed and composure in a manner that feels both contemporary and enduring.
