## OVERVIEW

---

"Current price" is offered as a reference; all respectful offers are welcomed. Built in 2018, the Catalina 14.2 is a graceful 14 foot sailing yacht that occupies the sweet spot between daysailer and dinghy, prized for family outings, club one design racing, and its simply managed handling. Renowned for a stable hull, a forgiving sail plan and a lively feel on the water, this trailerable design performs confidently on lakes, bays and coastal waters alike, making it an elegant yet spirited choice for novices and experienced skippers seeking uncomplicated enjoyment.

This example shows the advantages of sheltered garage storage and light use, presenting cleanly and ready for immediate enjoyment as shown. The boat is offered as viewed—an attractive, straightforward invitation to step aboard and spend the day sailing—so viewings are encouraged and offers may be submitted with confidence.

A matching trailer accompanies the sale, configured as a single axle with bunk support and finished in galvanized steel for long lasting durability and simple launch and retrieval. Together the Catalina and its trailer underscore the model's portability and appeal as a compact sport boat and family day sailor.

Logistics can be managed nationwide through reputable, certified carriers, with custom cradles available when required and delivery to port supported for overseas shipment. Quotations for transport and handling are available upon request to provide a seamless, concierge style delivery experience.

No statement regarding motors, engines or ancillary machinery is being made; any images of equipment are supplied for reference only. It is entirely the buyer's responsibility to inspect the vessel and verify the condition and completeness of items observed. Do not assume that accessories or loose gear are stored aboard; the vessel is sold strictly as seen and any bid or offer should reflect the equipment present at viewing.

All particulars are offered in good faith but are not guaranteed, and the condition of the vessel is not warranted. Prospective buyers are urged to confirm any information they consider material. This offering is subject to prior sale, price change or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranty of any kind, express or implied, including merchantability or fitness for a particular purpose, and no verbal agreements shall alter these terms. For those seeking a polished, trailerable racer/cruiser experience in a compact sailing yacht, this Catalina 14.2 delivers timeless refinement and pure daysailing pleasure.
