OVERVIEW

Delivered in July 2019, the remarkable S/Y Corsario is a fully bespoke sailing yacht crafted from marine-grade steel to meet the highest European standards by the renowned Radež d.d. shipyard in Croatia. Designed for those who seek comfort and adventure on the water, this yacht is an ideal choice for sailing enthusiasts!

Registered commercially under the Croatian flag and built in compliance with the MCA LY3 code, S/Y Corsario has undergone rigorous supervision by the Croatian Shipping Register for short-range navigation. With an impressive interior volume of 339 GT, her intelligent layout maximizes space and luxury. The saloon features a dining table for 12 guests, two distinct lounge areas, and a fully stocked bar. Accommodating up to 12 guests in six opulent cabins, she includes two spacious cabins (Master & VIP) with ensuite bathrooms featuring underfloor heating, two Double cabins with ensuite facilities, and two Twin cabins with their own bathrooms.

On her expansive 8m wide aft deck, two generous sunbeds provide a perfect view of the delightful "al fresco" dining area, which can host up to 12 guests. The foredeck also boasts two inviting lounges that offer breathtaking sea vistas. The sundeck is a true highlight, featuring two separate lounge areas: an upper aft lounge with large sunbeds, a jacuzzi, sauna, and dayhead, alongside a stunning upper fore lounge with sunbeds that provide a panoramic 180° view. A stylish 6m bowsprit enhances her elegant sailing design while optimizing performance.

Powered by two John Deere diesel engines, each delivering 425hp, this eco-friendly yacht achieves a top speed of 11 knots and cruises effortlessly at 8.5 knots, consuming only 50 liters per hour and allowing for an impressive range of 2,000 nautical miles.

Her main engine room is equipped with two John Deere generators providing
