OVERVIEW

The Sun Cat is designed as a roomy and effortlessly navigable day cruiser and overnight boat, boasting a shallow draft that enables adventurers to explore hidden coves and harbors inaccessible to larger yachts.

Outfitted with the cutting-edge Mastendr™ quick rig sailing system and a robust stainless steel centerboard housed in a fiberglass trunk, the Sun Cat offers seamless trailering and maintenance-free enjoyment, ensuring your time on the water is spent in pure leisure.

For those who cherish timeless design and exceptional craftsmanship, and who wish to sail through peaceful coastal waters and serene inlets, the Sun Cat represents a "new tradition" that appeals to discerning yacht aficionados.

Please note that the images show sister ships, which might feature options not included in this yacht for sale. Discover yacht sales at the current boat location and seize the chance to purchase a yacht that promises both sophistication and adventure.

DETAILED DESCRIPTION

Section name

The Sun Cat is an exquisitely crafted vessel, designed to be a spacious and effortlessly navigable day boat, ideal for overnight escapades. Its shallow draft is perfect for gunkholing along coastlines and venturing into harbors that are usually off-limits to larger, more unwieldy yachts. This makes it an adaptable option for those who enjoy exploring shallow waters and uncovering hidden treasures along the shore.

Fitted with the state-of-the-art Mastendr™ quick rig sailing system, the Sun Cat offers a seamless sailing experience, allowing for quick and easy setup. The stainless steel centerboard, encased in a fiberglass trunk, not only boosts the boat's performance but also ensures a maintenance-free experience, allowing you to focus on the joy of the journey rather than upkeep.

The Sun Cat appeals to those who value timeless design and superior craftsmanship. It is ideal for individuals looking to explore coastal waters and serene creeks, presenting a "new tradition" in yachting that merges classic elegance with modern practicality. This yacht is crafted for those who seek value and dependability, delivering an outstanding experience on the water. Please be aware that the boats shown in the images are sister ships and may include optional features not available with the standard model.

Manufacturer provided description

The Sun Cat embodies Clark Mills' vision of a shoal daysailer that combines ease of rigging and sailing with comfort and speed. Crafted as a spacious and easily maneuverable day boat, it is ideal for overnight journeys. Its shallow draft is perfect for gunkholing along coastlines and exploring harbors that are

usually inaccessible to larger, bulkier yachts. This feature enables sailors to navigate shallow waters and uncover hidden coastal gems effortlessly.

Outfitted with the Mastendr™ quick rig sailing system, the Sun Cat offers a smooth and efficient setup, allowing you to maximize your time on the water. The stainless steel centerboard, encased in a robust fiberglass trunk, boosts the boat's performance while ensuring a maintenance-free experience. This well-thought-out design makes trailering easy and stress-free, paving the way for spontaneous adventures whenever the mood arises.

The Sun Cat attracts those who value timeless design and superior craftsmanship. It is perfect for those looking to explore coastal waters and serene creeks, presenting a "new tradition" in yachting that merges classic elegance with modern practicality. This yacht is crafted for those who seek value and dependability, delivering an outstanding experience on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
