OVERVIEW

"Create a masterpiece, not a mere imitation." Ngoni embodies this philosophy—an extraordinary marvel! Crafted by the esteemed Royal Huisman and unveiled in 2017, Ngoni stands as one of the most captivating and pioneering yachts ever conceived, boasting an undeniable 'Wow' factor.

With her lifting keel extended (8.1m/26ft), this yacht offers exhilarating speed and an exhilarating sailing experience.

As we step into 2024, NGONI features four spacious and opulent ensuite cabins (the gym has been transformed into a lavish twin berth cabin with an adjoining bathroom). Additionally, a single berth sofa bed has been thoughtfully integrated into the owner's office.

This yacht for sale is a true gem in the current boat location, making it an exceptional opportunity for those looking to buy a yacht. Explore yacht sales in the current boat location and discover the luxury that Ngoni has to offer.
