OVERVIEW

The current price is provided purely as a guideline, and all reasonable offers are warmly welcomed. Drawing on Nacra's celebrated performance heritage, this 30-foot sailing catamaran was designed with relaxed coastal cruising in mind rather than outright racing — a comfortable cruising multihull that still carries racing DNA. If you are seeking a capable and affordable entry into multihull ownership, this 30' sailing cat presents a rare chance not to be overlooked.

This yacht has suffered a spell of neglect and will reward an owner willing to invest time and care. An interior refit, a careful inspection of onboard systems, and a full cosmetic refresh and detailing are recommended. The hull itself remains in good visual order; she was lift-kept prior to donation and currently sits ashore on a stable footing, making examination straightforward. Step aboard, imagine the improvements, and submit your bid with confidence in the platform's inherent potential.

A trailer is not included with the sale. Nationwide transport can be coordinated through qualified marine carriers, with custom cradles available and delivery to a port for international shipment upon request; quotes are readily supplied. For guidance regarding engines and auxiliaries, please refer to the Motors and Machinery disclaimer below.

No representations are made about the condition of engines, motors, or mechanical systems. Photographs of machinery spaces may be provided, but it is the buyer's responsibility to inspect and determine actual operating condition. Do not assume any additional accessories or loose gear are retained in storage; the boat is sold strictly as seen at the time of viewing. Submit offers or bids based solely on the equipment observed during your inspection.

All particulars are presented in good faith, yet no guarantee or warranty of accuracy is intended, nor is any assurance of the vessel's condition provided.

Prospective buyers are strongly urged to verify any information they consider material. This cruising multihull is offered subject to prior sale, price change, or withdrawal without notice.

All marine assets, whether owned or brokered by Certified Sales, Inc. or its affiliates, are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE EXPRESSED OR IMPLIED, including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal statements shall alter the terms of sale.
