OVERVIEW

The hull has been freshly buffed and received new antifouling on 3-17-26. Below decks an immaculate Beta 20 diesel—spotless enough to dine beside—reads roughly 140 hours. Deck gear features self-tailing winches and a roller-furling headsail, and fresh batteries have been fitted throughout. She would benefit from a new mainsail cover, varnish on the companionway slats, and refreshed deck paint. Electronics include VHF, radar, and a depth sounder. A refined sloop-rigged monohull, she is an elegant coastal cruiser.
