## OVERVIEW

---

Well-equipped and meticulously maintained, the 2016 Beneteau Oceanis 38 is a dependable coastal-cruising monohull that combines practical reliability with elegant lines and a documented service history and upgrades. Recent care includes bottom paint and anodes (2024), a ceramic-coated hull (2024), engine oil and filter service (2025), and new AGM start and house batteries (2025), all reflecting attentive ownership and readiness for the seasons ahead. Prepared for weekend sails, coastal passages and spontaneous getaways, she is both an elegant cruising sailboat and a versatile weekender. More photos to come.

# DETAILED DESCRIPTION

---

## Description

---

2016 Beneteau Oceanis 38 – a well maintained, turn key coastal cruiser that combines modern comfort, responsive sailing performance, and documented, attentive care to inspire immediate confidence. This 2016 Oceanis 38 stands out in the market for its consistent service history and true cruising ready condition, celebrated as one of Beneteau’s most popular contemporary designs for making brilliant use of space: an airy, light filled interior, a practical galley, a generous salon, and inviting accommodations. Its easy handling and excellent cockpit visibility make it a pleasure for couples, families, and first time owners stepping up to a capable performance cruiser. Recent attention to essentials means you board ready to go: consistent SD25 saildrive maintenance, fresh engine oil and filter, and new AGM engine and house batteries provide reliable starting and onboard power. Below the waterline, bottom paint and new anodes completed in 2024, together with a high gloss ceramic coated hull, raise both protection and aesthetic presence. Service logs with recorded engine hours underscore the diligence behind the upkeep, and the boat’s turn key readiness means you can cast off without delay. Designed for comfortable cruising and confident passages, this Oceanis 38 is equally at home on California coastal cruises, carefree weekends to Catalina, and longer adventures where the balance of performance and comfort matters. From its intuitive deck layout to the welcoming interior, it is a thoughtfully executed yacht that rewards every mile; for buyers navigating the yacht for sale and sailboat for sale market, this 2016 Beneteau Oceanis 38 with SD25 saildrive—fresh from bottom paint in 2024, with a ceramic coated hull, new AGM batteries, and comprehensive engine service records—is the turn key, well maintained Beneteau many discerning sailors seek.

---

## Maintenance & recent service highlights

---

A meticulous log reflects responsible ownership and frequent checks, with engine hours carefully recorded and key systems proactively serviced to maintain reliability at sea. In 2025 the topsides received a fresh wax on January 15, and SD25 saildrive lubrication changes were performed on January 17 at 725 hours using 1.5 liters and again on January 22 at 727 hours, ensuring smooth, protected running gear. On April 6, 2.5 gallons of diesel were added at 735 hours, and on June 6 the electrical backbone was refreshed with new engine and house AGM batteries, four 24A AGM units installed at an approximate cost of \$1,100. Most recently, on June 10 the engine oil and filter were changed at 749 hours, keeping the powerplant on a disciplined service cadence. The 2024 maintenance program set a strong foundation: on August 31 the engine oil and filter were changed at 702 hours; on September 25 the bottom was painted, anodes were renewed, and the hull received a high gloss ceramic coating for long lasting protection; on October 1 and October 17 the boat went offshore at 708 and 712 hours respectively, reinforcing confidence underway; and on November 15 an additional 4 gallons of diesel were added to full at 715 hours, with a final fuel top off of 2.5 gallons on December 17. Together, these entries tell a clear story of timely care, careful hour tracking, and readiness to cruise now. This 2016 Beneteau Oceanis 38 is an ideal match for buyers seeking a well maintained, modern cruising sailboat with meaningful recent mechanical attention and upgrades; schedule your private showing and request the full service logs and details today.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
