OVERVIEW

"Current price" is an indication only, and every serious offer will be received with respect.

The 1999 Beneteau 40 Center Cockpit presents itself as a refined cruising yacht, a center-cockpit monohull that marries roomy comfort with seagoing competence. At forty feet overall she occupies the ideal scale for offshore work—substantial enough to carry stores and systems for long passages, yet compact enough for a couple to handle with confidence. Her layout is purposefully hospitable: the desirable two-cabin, two-head plan provides a private owner's suite aft with a true queen berth and a forward cabin with a three-quarter berth, delivering comfortable, well-proportioned living spaces for owners and guests whether island-hopping or settled into a life afloat.

She has been ashore for roughly a year and will benefit from a thorough cleaning and routine recommissioning prior to relaunch, but her seagoing bones remain evident. The rig received significant attention in 2019 with a new mast and new standing rigging installed, and she carries a three-batten mainsail to keep her performance crisp and enjoyable under sail. Step aboard, consider your offer, and imagine the uncomplicated passages that await.

Her equipment list underscores a focus on autonomy and modern convenience for extended cruising. Navigation and safety electronics are updated and include a B&G chartplotter and AIS, teamed with a Raymarine autopilot to ease long miles at sea. Electrical independence is provided by a 1,500-watt solar array charging a substantial 560 Ah 12-volt lithium battery bank, augmented by a 60-amp shore charger and a 90-amp Baldor alternator for robust charging underway; a 2,200-watt portable generator offers additional, flexible power at anchor or during maintenance. Cruising support is rounded out by a tender powered by a 20 hp Yamaha 2-stroke engine from 2019. A trailer is not included in the sale, and domestic or international

transport — including custom cradles and port delivery for overseas shipping — can be arranged to meet your plans.

No representations are made regarding the condition of engines or onboard machinery; inspection and due diligence remain the buyer's responsibility. Photographs may depict systems and spaces, but the vessel is offered strictly as seen, and buyers should not assume that any accessories or equipment not observed on site are included. All details are presented in good faith but are not guaranteed, and prospective purchasers should verify any particulars important to them. The yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine products—whether owned or brokered—are sold as-is, where-is, with no warranty or guarantee expressed or implied, including any warranties of merchantability or fitness for a particular purpose. No verbal agreements shall alter the terms of sale.

A graceful center-cockpit cruiser with genuine offshore pedigree, this Beneteau 40 invites you into the realm of true passagemakers—an elegant, comfortable, and capable platform for your next chapter under sail.
