OVERVIEW

“Windborne” is a distinguished Sparkman & Stevens sailing yacht penned in 1955 and constructed at the Paul Molich yard in Denmark, which after notable campaigns in the Baltic and around England sailed back to New York under her own power in 1957. Entrusted in 1976 to two dedicated yachtsmen who kept her prominently moored along Lakeshore Drive on Lake Michigan, she was both campaigned and cruised for more than four decades with meticulous care that preserved her original fabric. Acquired by new owners in 2019 who were captivated by her elegance and potential, Windborne underwent a tasteful, sympathetic refit aimed at restoring her historic splendor; between 2019 and 2025 the owners invested in excess of \$500,000 to elevate her to Bristol condition, a transformation recognized when she received the People’s Choice award at the Newport Beach Wooden Boat Festival in 2024. Today her owners seek a permanent family to assume long-term stewardship, offering the opportunity to carry Windborne into another 68 years of exhilarating racing and sailing.
