OVERVIEW

Experience the Grace of a 2007 Luxury Yacht, For Sale in France

Board this exquisite 42-foot yacht, built in 2007 and presently offered for sale amid the scenic waters of France, and discover a vessel where refined elegance meets seaworthy purpose. At a comfortable cruising pace of 9 knots the hull—constructed of fiberglass and plastic—glides with poise, while a top speed of 11 knots ensures swift, assured passage to hidden coves or lively seaside ports. The generous beam of 22 feet creates an airy, inviting interior and expansive deck spaces, the latter fashioned from durable composite materials that welcome sun-drenched lounging and alfresco dining beneath the stars.

Beneath the graceful lines lie dependable systems: two Yanmar inboard engines power each outing with diesel efficiency and reassuring reliability, and the yacht's tanks—holding 63.4 gallons of fuel and 116.24 gallons of fresh water—support extended cruises with confidence. Every structural and mechanical element is woven into a thoughtful layout that encourages effortless movement between cabins and social areas, pairing practical performance with a softly luxurious atmosphere.

Inside, the design favors calm sophistication, with well-appointed finishes and an arrangement tailored to both intimate evenings and spirited gatherings. Whether you are an experienced yachtsman or newly drawn to life on the water, this vessel promises a harmonious blend of comfort, capability, and tasteful detail.

Situated in France and ready for new ownership, this yacht is more than a means of travel: it is an invitation to explore Mediterranean coastlines and create enduring memories. Review the current boat location listings, consider this remarkable yacht for sale, and embark on your next maritime chapter with confidence and style.
