OVERVIEW

Kamiya, an Oceanis Clipper 42 CC from Beneteau, invites you to appreciate the balance of speed, serenity and accommodation aboard a 2005 Centre Cockpit cruiser now berthed in Malta. Built in France and measuring 42 ft (12.7 m) with a beam of 3.91 m and a draft of 1.8 m, this GRP monohull has been finished with low-maintenance synthetic teak (Plasdeck, 2023) across deck surfaces and is equipped with a fin keel with bulb to combine stability with spirited cruising. VAT has been paid.

Underway or at anchor the yacht is driven by a Yanmar 4JH3-TE diesel producing 75 HP, showing approximately 1,365 hours on the clock, and handling in tight harbours is made effortless by a new bow thruster (QS Sea Master QS80-125, 2024). Systems are modern and monitored — app-connected sensors protect bilges, batteries and detect smoke — while a water heater, a solar array and a substantial house bank (2 × 800A VARTA) ensure autonomy and comfort.

The layout is a true centre-cockpit arrangement offering two generous cabins, six berths in total and two full heads. An aft owner's suite benefits from a wide double berth, and the bright saloon flows into a fully outfitted galley with refrigerator and gas stove/oven. Comfort is extended with fans, a heater and a quality audio system for relaxed evenings aboard.

Sailing gear is ready for bluewater or coastal work: a fully battened mainsail stowed in a lazy bag complemented by a furling genoa that was professionally serviced and cleaned in 2025. Navigation and electronics are well specified with a Garmin GPSMAP 923xsv plotter, Raymarine ST6001 autopilot, VHF, radar, depth/echo sounder, wind and speed instruments and a magnetic compass, supported by a battery charger and integrated smart monitoring. Safety and deck equipment are comprehensive — a six-person inflatable liferaft, lifejackets, flares and fire extinguishers — and practical deck fittings

include a bimini, passerelle, swim platform with folding ladder, 50 m anchor chain, synthetic teak decking, fenders and mooring warps. A 2.3 m RIB tender with Honda outboard is included.

Recent works include new seacocks (2024), refreshed exterior teak (2025) and professionally cleaned sails. The annual berth at Marina di Valletta is transferable through April 2026. Located in Malta — Marina di Valletta — Kamiya is offered at €155,000 (VAT paid). This Oceanis Clipper 42 CC presents as a refined offshore cruiser and centre-cockpit performance yacht, blending security, ease of handling and luxurious liveaboard comfort, ready to sail in excellent condition.
