## OVERVIEW

---

Off The Grid made her debut in Lymington, UK, in 2024, marking the launch of the innovative Southerly 420 series. This yacht for sale boasts a sturdy variable draft swing keel, dual rudders, a raised salon offering panoramic views, two bathrooms, and a cleverly arranged rig and deck layout for effortless sailing. After her delivery, the owners embarked on several trial voyages before participating in the 2024 ARC, sailing to Saint Lucia. Having relished their time aboard, they are now looking to buy a larger yacht. This presents a rare chance to acquire a nearly new Southerly 420. The variable draft swing keel offers both shallow draft flexibility and deep draft capability! The Southerly 42 is equipped with a grounding plate (approximately 4,630 lbs) and a variable draft swing keel (around 3,461 lbs), allowing for versatile navigation in diverse waters. With the keel fully extended (8' 11"), it excels in deep water cruising. At the press of a button, the keel retracts to a shallow draft of just 2' 9", ideal for exploring shallow waters.
