Experience the Sophistication of the 2000 Premium Yacht

Embark on a journey aboard this exquisite 42-foot premium yacht, a true masterpiece in the yachting realm, now available for purchase in the United States. With its sleek fiberglass construction and carefully crafted interior, this vessel epitomizes elegance and comfort, making it an ideal choice for those seeking a yacht that offers both excitement and tranquility.

Upon entering the expansive cockpit, you are welcomed by an ambiance that effortlessly combines style with practicality. The generous 13-foot beam provides plenty of room for hosting guests or savoring peaceful moments on the water. The yacht's well-thought-out design includes two tastefully equipped heads, ensuring convenience for everyone on board during your travels.

Driven by a dependable Yanmar inboard diesel engine, this yacht delivers remarkable performance and fuel efficiency, enabling you to navigate the open seas with assurance. With a fuel capacity of 46 gallons, you can set out on long voyages without the constant need to refuel. The yacht's water capacity of 115 gallons ensures that you and your guests stay comfortable and hydrated, regardless of how far you venture.

The luxurious deck, constructed from resilient fiberglass, invites you to soak up the sun or enjoy outdoor dining beneath the stars. Whether hosting a vibrant gathering or seeking a peaceful retreat, this yacht offers the perfect setting for creating unforgettable experiences.

This stunning vessel is more than just a yacht; it represents a way of life. With its refined design and superior amenities, it stands out in the competitive yacht market. If you are exploring yacht sales in the current boat location, your search ends here. This yacht is a rare treasure, blending timeless sophistication with contemporary comforts.

Seize the chance to own this extraordinary yacht. Whether you are a seasoned sailor or a novice buyer, this vessel is poised to take you on your next journey. Embrace the charm of the open ocean and make this luxurious yacht yours today!

# DETAILED DESCRIPTION

---

## Section name

---

The Super Nice Catalina 42 MKII 2000 is an exceptional sailing yacht set to be available in Florida on April 10. This vessel features a generously spacious and intelligently crafted 2-cabin, 2-head configuration, perfect for both relaxing coastal cruises and longer sea adventures. The forward cabin is equipped with a luxurious Pullman berth and a large bathroom with an enclosed shower, providing a level of comfort and privacy comparable to a luxury hotel suite.

The cockpit is designed with both leisure and practicality in mind, offering long bench seats that provide plenty of room for lounging or hosting guests. The walk-through transom opens up to a convenient swim platform, ideal for easy water access or simply taking in the scenic views. Sailing aficionados will admire the yacht's well-balanced helm and robust sailing performance, making it a pleasure to steer through the waters. The Catalina 42 MKII is more than just a yacht; it is a seamless fusion of comfort, elegance, and performance, promising an outstanding sailing journey.

## Top features

---

The yacht is powered by a sturdy Yanmar 56hp engine with a folding propeller, delivering both efficiency and reliability. The mainsail, updated in 2016, pairs perfectly with the original furling jib, now enhanced with a new UV cover for extra protection. For those who appreciate adaptable sailing, the spinnaker and storm sail remain in near-new condition due to minimal use. The standing rigging and turnbuckles were refreshed in 2022, boosting the vessel's structural strength.

Cutting-edge navigation and onboard technology include an Axiom 9" chart

plotter, masthead transducer, and masthead lights, all replaced in 2022. The Quantum radar, also new in 2022, offers superior situational awareness, while the VHF Matrix radio with AIS, installed in March 2023, provides dependable communication, though only in receive mode. Entertainment needs are met with a Smart TV added in 2022.

The power system is robust, featuring AGM batteries replaced in 2022 and a solar panel setup with a digital regulator installed in 2023. The air conditioning unit, a 1600 BTU model, was updated in May 2023, although it requires a duct replacement. The forward hatch was renewed in 2022, maintaining its weatherproof seal.

The yacht's exterior includes a dodger, bimini, and connector with covers, all in good condition, along with a Mack Pack and Lazy Jack system. The outboard motor, a 15hp Tohatsu with push-button start, was added in 2022 but needs a water pump. Safety and convenience are ensured with an EPIRB and Spot locator, a Delta anchor with 150 feet of chain, and an additional Fortress anchor with rode.

Further features include macerator pumps replaced in 2022, a fresh water pump with a spare, and a new propane solenoid. The yacht is outfitted with a 4-person life raft, a wind generator, and a Magma grill with its own propane tank, ensuring both safety and comfort on your journeys.

## Overview

---

The yacht presents an opulent and meticulously planned accommodation layout, featuring a 2-cabin, 2-head design. The master cabin is situated at the front and showcases a Pullman berth with a queen-sized bed measuring 6' 5" in length. This cabin offers abundant storage with drawers and hanging lockers, and is elegantly finished with varnished teak bulkheads and trim, complemented by a teak and holly floor. Window shades add privacy and comfort, while the Pullman cabin includes an inner spring mattress for

enhanced relaxation.

The aft stateroom on the starboard side features a queen berth, complete with hanging lockers, cabinets, and shelving. A bureau and drawers provide extra storage, and there is easy access to the head from this stateroom.

The galley combines functionality with style, featuring a custom-molded countertop, a new refrigerator with cold plate front and top load, a microwave, and a double stainless steel sink. A propane stove and oven complete the galley, making it a culinary haven.

In terms of electronics, the yacht is outfitted with a VHF Radio Matrix, Raymarine ST60 wind speed and depth instruments, and a Raymarine ST 6000 Auto Pilot Type 1, ensuring smooth navigation and communication.

The electrical system is robust, with a house bank of four AGM dual-purpose batteries, 12-volt lighting with predominantly LED fixtures, and a 2000-watt inverter with a 100-amp multistage charger. A Freedom remote panel and 500-watt solar panels with a regulator offer additional power solutions, while 30-amp shore power inlets and cords ensure dockside connectivity.

The sails and rigging are of the highest quality, featuring a solid stainless steel fixed boom vang, a furling jib with a UV cover, and a full batten mainsail with reefs. The rigging is newly made of stainless steel, ensuring durability and excellent performance in various sailing conditions.

## Features

---

This yacht comes with a full set of covers to guarantee protection and comfort in all weather conditions. It includes a bimini top and a spray hood, offering shade and protection from the elements. The mainsail cover, lazy bag, and lazyjacks are crafted to safeguard the sails when not in use, while the genoa cover preserves the foresail's durability.

The onboard electrical equipment features a shore power inlet and an

inverter, ensuring dependable power management and connectivity. The yacht's electronic suite is comprehensive, including a depth sounder, radar, log-speedometer, and instruments for measuring wind speed and direction. Entertainment and navigation are enhanced with a TV, navigation center, plotter, and autopilot. Communication is supported by a radio, compass, GPS, and VHF, with cockpit speakers delivering sound throughout the vessel.

Inside, the yacht is fitted with an electric bilge pump, oven, manual bilge pump, microwave, and a marine head. Climate control is maintained with air conditioning and heating, while hot water and a refrigerator contribute to onboard comfort. A sea water pump and battery charger complete the interior equipment, ensuring functionality and ease.

Externally, the yacht is equipped with a cockpit shower, outboard engine brackets, davits, and a solar panel, enhancing its versatility and independence. Safety and comfort are prioritized with a liferaft, cockpit cushions, a cockpit table, and a swimming ladder.

The rigging includes a steering wheel for precise maneuvering, while the sail inventory features a fully battened mainsail, storm jib, spinnaker, and furling genoa, providing a versatile and resilient sailing experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
