OVERVIEW

The Tayana line of yachts represents a much-admired design by the distinguished naval architect Bob Perry, who made a significant impact in the yachting industry with this agile, durable, and adaptable vessel, particularly when models like the West Sail were prevalent. This particular yacht has been carefully preserved both inside and out, with a recent survey underscoring its outstanding condition. It features minimal hours on the Perkins diesel engine, sturdy decks, refreshed standing rigging and canvas, and stunning woodwork that captures the essence of a classic Perry cruiser. You can seize the chance to see her in person at her current location in Seattle or schedule a virtual tour! For those not yet part of the loyal community of Bob Perry and the Tayana brand, consider what Practical Sailor magazine has to say about this extraordinary yacht for sale...

DETAILED DESCRIPTION

Section name

The Tayana series of yachts is a much-admired design by the esteemed naval architect Bob Perry, who left a lasting mark on the sailing community with this swift, robust, and versatile vessel. During an era when designs like the West Sail were prevalent, Perry's creation distinguished itself with superior performance and craftsmanship. This specific Tayana yacht has been lovingly maintained both inside and out, as confirmed by a recent survey that highlights its superb condition. The Perkins diesel engine has low hours, ensuring dependable power and efficiency. The decks are in excellent shape, and the standing rigging and canvas have been recently refreshed, offering reassurance to any sailor. The interior features exquisite woodwork typical of a classic Perry cruiser, radiating warmth and sophistication. Whether you're in Seattle or prefer a virtual tour, this yacht is poised to impress. And if you haven't yet joined the devoted following of Bob Perry and the Tayana series, Practical Sailor magazine has lauded these yachts for their remarkable attributes.

Features

This yacht comes with a remarkable selection of features crafted to elevate your sailing adventures. The protective covers include a Bimini top, spray hood, mainsail cover, cockpit cover, and Genoa cover, all offering superb defense against the elements. The electrical system is exceptional, with a shore power inlet and an inverter to guarantee ample power supply while at sea. Regarding electronics, the yacht is equipped with a depth sounder, radar, log-speedometer, radar detector, and indicators for wind speed and direction.

The navigation center is comprehensively outfitted with a plotter, autopilot, compass, GPS, and VHF radio, providing all the essential tools for safe and effective navigation.

Inside, the yacht features an electric bilge pump, oven, manual bilge pump, marine head, heating, hot water, refrigerator, and a battery charger, ensuring all the comforts of home are available on the water. The exterior equipment includes a teak cockpit and a swimming ladder, adding both elegance and practicality to your maritime journeys.

The rigging is adaptable, with both a steering wheel and a tiller, allowing for versatile handling. The sails are performance-oriented, featuring a fully battened mainsail and a furling genoa, ensuring you can harness any wind conditions to your advantage. This yacht is indeed a well-equipped vessel, prepared to satisfy the needs of any sailor.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
