OVERVIEW

Offered at EUR 630,000 excl. VAT, this 2025 Lagoon 43 Owner's Version is a refined luxury sailing catamaran that marries contemporary styling with sumptuous accommodation and assured cruising capability, presented in very good condition for private ownership, relaxed family passages or high-end charter. The layout centers on an expansive owner's suite and three double cabins, complemented by a dedicated skipper cabin, delivering 8 berths and arrangements that comfortably accommodate up to 9 guests while ensuring privacy and convenience with three separate bathrooms and three showers. Propulsion is provided by a reliable Yanmar 57 HP diesel (42 kW, 2025), with an aluminium mast and a full-batten mainsail, and onboard systems designed for autonomy include a generator, an inverter and air conditioning to maintain a tranquil climate in every season. Constructed by Lagoon as the 43 Owner's Version in 2025, this offshore-ready cruiser measures 13.85 m LOA with a 7.69 m beam and a 1.40 m draft, set on a white GRP hull certified CE Category B – Offshore, and equipped with generous tankage of 570 L fuel and 640 L fresh water to extend range for coastal and offshore passages. The bright, well-appointed saloon and expansive living spaces reflect Lagoon's elevated finish and make the yacht equally suited to liveaboard life or boutique charter, with interior comforts that include electric toilets, a hot water system, a refrigerator and a new 2025 oven, alongside Bluetooth connectivity, cockpit speakers and atmospheric underwater lights for elegant evenings at anchor. Navigation and helm systems are comprehensive—autopilot, GPS chartplotter, radar, VHF radio, wind instruments, depth sounder and speedometer—providing the skipper with precise information and confident control underway. Deck fittings and protection enhance seagoing comfort, with a bimini top, cockpit enclosure and sprayhood, while davits facilitate tender handling and an anchor system, navigation lights and a life raft contribute to practical offshore safety. Shore power connection and a battery charger keep

systems replenished, deck conveniences include a shower and swim ladder for easy water access, and essential safety equipment such as fire extinguishers is aboard. Meticulously equipped and thoughtfully laid out, this Lagoon 43 Owner's Version captures the essence of modern cruising—luxurious space, elegant design and dependable seaworthiness in harmonious balance.
