## OVERVIEW

---

“Current price” is an indicator only; all serious offers are welcomed and considered. The 1985 Shannon 43 is a distinguished offshore cruising sailboat and bluewater sailing yacht, conceived for long passages, confident ocean voyaging, and comfortable liveaboard life. Built around a sturdy cutter rig with ample fuel and water tankage and a richly finished interior, this classic 43 foot cruiser combines robust construction, balanced handling, and the seakindly motion that experienced passagemakers demand. This is an exceptional opportunity to own a seaworthy vessel with timeless lines and enduring craftsmanship.

The yacht would benefit from a thorough detailing, attention to deferred maintenance items, and a comprehensive systems survey. While she has experienced recent neglect, her underlying condition remains appealing and presents an attractive restoration and upgrading prospect for an owner who appreciates traditional quality and potential. Viewings are encouraged — bring your offer.

A trailer is not included with this sale. Nationwide transport can be arranged through Certified Marine Transport with quotes provided on request; bespoke cradles and delivery to a port for international shipment can also be organized to simplify export logistics. A dedicated team is available to coordinate transport details and prepare tailored estimates.

Please refer to the Motors and Machinery Disclaimer regarding the engine(s) and related systems. No representation is made regarding the condition of motors, engines, or any machinery. Photographs of engine spaces or equipment may be provided for reference, but it remains the buyer’s sole responsibility to inspect and verify actual condition. Do not assume that accessories or loose gear are stored aboard; the vessel is sold exactly as viewed, and offers should be based only on the items present at inspection.

The Company provides these particulars of the sailing yacht in good faith but does not guarantee the accuracy of the information or warrant the vessel's condition. Prospective buyers are urged to independently confirm any details that are material to their purchase decision. This offering is subject to prior sale, change of price, or withdrawal without notice. All marine assets, whether owned or brokered by Certified Sales, Inc. or its affiliates, are sold AS-IS, WHERE-IS, WITH NO WARRANTY OR GUARANTEE EXPRESSED OR IMPLIED. THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS WHATSOEVER, and no verbal statements shall modify the terms of sale.
