OVERVIEW

Building on the triumphs and insights from the Eagle 36, Leonardo Yachts has elevated day sailing with the introduction of the Eagle 44. Crafted by the renowned Gerard Dykstra & Partners, the design draws from their extensive experience with notable J-class projects like Hanuman and Rainbow. The yacht's elegant lines are reminiscent of the iconic racing Js from the 1930s. By incorporating contemporary materials and an advanced keel design, the result is a stunning daysailer featuring a spacious cockpit. The Eagle 44 seamlessly blends practical functionality with sophisticated aesthetics, showcasing a harmonious mix of materials such as white panels, mahogany, teak, stainless steel, and luxurious fabrics. If you're considering a yacht for sale, the Eagle 44 is a prime choice in the current boat location, offering an exquisite opportunity to buy a yacht that embodies both style and performance.
