## OVERVIEW

---

The catamaran Lagoon 450 Bagira, presented in outstanding condition, is offered for sale after a single ownership and meticulous management within the Yachting2000 Croatia charter program. She is available for inspection at your convenience, and the purchaser may elect to continue the proven charter operation with our company, making this an attractive proposition for buyers in the boat's present location.

Under sail she is well equipped with a standard mainsail and furling genoa, and at the helm owners and guests benefit from precise navigation aids: a GPS compass and a chartplotter located on the spacious flybridge, supported by a B&G WIFI Module, AIS 400 B&G Transceiver, B&G ForwardScan sounder and B&G 4G Radar, together with a full wind measurement system and autopilot for confident passage making. Deck handling is effortless thanks to two electric work winches, an electric winch on the davits and an electric anchor winch, while the large flybridge is sheltered by a bimini and sprayhood, creating a superb outdoor living area.

Comfort and systems aboard are comprehensive: an 11 kVA generator supplies power, air conditioning is installed throughout and fans are fitted in the salon and cabins, complemented by USB charging sockets. The interior entertainment and conveniences include a Radio/CD/MP3/DVD system, a 32" LED TV in the salon, microwave, dishwasher and washing machine, with two refrigerators in the salon plus an additional refrigerator in the cockpit. Sanitary and deck comforts comprise electric toilets, outdoor showers and bathing ladders.

Safety and tender arrangements are complete with a life raft and full safety equipment, a dinghy with a GRP floor and outboard motor, and a Tender Brig F360 with control console powered by a Tohatsu 30HP engine. Discover the refined luxury and practical readiness of this Lagoon 450, ideal for leisurely

cruising or continued charter operation.
