## OVERVIEW

---

The Lagoon 450 presents itself in exceptional condition, poised for its next voyage. Designed to welcome family and guests in comfort, she offers four generous cabins plus two crew cabins, while the salon's convertible bed provides an elegant extra berth. Sail handling is made simple by a standard-sized, rolling genoa, two electric winches on deck and an additional electric winch at the davits, with anchoring handled by an electric anchor windlass.

Her navigation and electronics equip you to go confidently anywhere: radar, echo sounder, GPS and compass for fundamental awareness, a chartplotter mounted on the flybridge paired with a Raymarine plotter added in recent upgrades, a dedicated wind measuring system and autopilot for steady, precise passages. Communications are covered by a VHF Raymarine 55 E with DSC. Comfort and capability extend below decks with a generator rated at 11 kVA, air conditioning, electric toilets, outdoor showers and bathing ladders for easy water access.

Evenings are illuminated by underwater lighting—also renewed during the 2022–2023 refit—and entertainment is provided by radio, CD, MP3, TV and DVD, while galley convenience comes from a microwave and multiple fridges: two in the salon and a further unit in the cockpit, with a new salon fridge fitted in the upgrade period. A GRP-bottom dinghy with outboard motor accompanies the yacht for shore excursions. Safety and guest comfort are assured with a life raft, bed linens, cockpit cushions and a fully stocked pantry. Refitted between 2022 and 2023, the vessel received a new lazybag, genoa, Raymarine wind sensor, underwater lights, electric toilet, cockpit and salon cushions, anchor winch and new anchor chain, among other improvements. This yacht for sale is a true gem in the current boat location—explore yacht sales in the current boat location and seize the opportunity to make her yours.
