## DETAILED DESCRIPTION

### 2020 model Azuree 46

---

The 2020 model Azuree 46 is an inspired sailing yacht that artfully combines modern lines, spirited performance, and genuinely comfortable living for both long-distance passages and relaxed family cruising. Built by Sirena Yachts and defined by the signature hull form from Humphreys Yacht Design, she delivers balanced cruising, high initial stability, and confident, safe maneuverability. Her hull is engineered using Vacuum Assisted Infusion Lamination with Vinylester, producing a structure that is remarkably light yet exceptionally strong. Standing out in her class with a notably wide beam and generous interior volume, she offers a highly comfortable standard layout with three cabins and two bathrooms, and her deck and interior arrangements are thoughtfully designed to maximize onboard comfort and safety. The cockpit provides a valuable competitive edge: foldable cockpit seats transform into inviting day beds for sunbathing or convert into additional berths for sleeping al fresco beneath the stars. She is exceptionally easy to handle for a shorthanded cruising sailor; the German mainsheet system and non-overlapping jib allow precise, effortless sail trimming and maneuvers even with minimal crew. An opening swimming platform gives simple access to the water and becomes an excellent extra sunbathing terrace when at anchor. Fast, exciting, yet forgiving, the Azuree 46 is tuned to thrill under sail while offering strong potential under both IRC and ORC handicapping rules; with a long waterline and clean, easy lines she projects the power, speed, and responsive feel of a much larger yacht. Meticulously maintained, currently in the water, and fully ready for use, she stands ready to begin her next adventure.
