## OVERVIEW

---

GUIDE PRICE ONLY. ALL SERIOUS OFFERS WELCOME.

The 2008 Hylas 46, penned by German Frers, is a distinguished center cockpit sailing yacht whose lines and presence attract attention in any harbor. Conceived as a true bluewater cruiser, she marries the comforts of an upscale interior with the seaworthiness required for offshore passages and the demands of short handed sailing. Her hull is hand laid solid fiberglass, delivering structural robustness and generous interior volume that is artfully finished with fine teak joinery. The layout favors an expansive aft owner's suite, while the protected midships cockpit affords superb sightlines and a secure feel underway. A proportionally long waterline and a broad beam contribute to both inviting living spaces below and rewarding performance under sail; a shoal draft keel option is available to broaden cruising grounds without sacrificing character. Renowned for quality construction and strong resale appeal, this 46 foot monohull is equally suited to island hopping or long range passagemaking.
