OVERVIEW

Leopard 47 sailing catamaran, crafted by Robertson & Caine in South Africa in 2003, is a remarkable vessel that embodies luxury and adventure.

Since 2008, the same owners have enjoyed life aboard Dreaming On, offering all-inclusive fully crewed charters in the stunning waters of Belize. This yacht for sale has been meticulously maintained and upgraded, serving as an Owner/Operator charter yacht with a wealth of additional features and amenities that enhance the cruising experience.

The Leopard 47 is celebrated for its robust construction and exceptional seaworthiness, and this particular model is in excellent condition. Currently, this catamaran is engaged in crewed charters until August 1st, but the owners are open to discussing a yacht sale before the completion of these charters. This presents a unique opportunity for prospective buyers to enjoy potential tax benefits by acquiring a yacht that operates as a business.

Explore yacht sales in the current boat location and seize the chance to buy a yacht that promises both luxury and adventure on the open seas.
