## OVERVIEW

---

Offered in Athens, Greece, this Lagoon 50 Owner's Version (2022) has been privately held from new and never chartered, presenting a late-model bluewater catamaran that has been maintained to exacting standards. Combining expansive volume with elegant appointments and easy-handed systems, the yacht is configured in the sought-after Owner's layout: the full starboard hull is dedicated to a spacious master suite with its own private lounge, while four welcoming guest cabins and two separate crew cabins ensure comfortable accommodation for family cruising with professional support.

Comfort and practicality are evident throughout, with full air conditioning and heating, electric toilets, a watermaker for extended autonomy and underwater lights for evening ambience. The galley is comprehensively equipped with oven, microwave, dishwasher, refrigerator and freezer, and a washing machine is aboard for convenience. The teak cockpit with an ample dining area creates an ideal entertaining space on deck, and heavy-duty davits handle the dinghy with ease. Propulsion comes from twin Yanmar 4JH80 diesel engines (2 x 80 hp) with approximately 2,050 hours. Principal dimensions and capabilities include LOA 14.76 m, beam 8.10 m, draft 1.35 m, displacement 26,000 kg and CE Category A (Ocean); she steers with twin wheels and is fitted with an in-mast furling mainsail. Navigation and communications are managed through a comprehensive B&G electronics suite—chartplotter, radar, autopilot and AIS—supported by VHF, GPS, depth sounder and wind instruments, while safety equipment comprises EPIRB, life raft and fire extinguishers. A generator and solar panels complete a fully rounded cruising package. This is a rare opportunity to acquire a turnkey cruising catamaran in outstanding condition at a compelling price; the yacht is ready to sail and available for inspection by appointment in Athens, Greece.
