OVERVIEW

The ultimate ocean voyager?

The Xc 47 heralds a brand-new era in the XCruising series. This innovative design stems from extensive expertise and a commitment to meet the needs of the increasing number of sailors seeking a genuine ocean-going vessel.

"Simply put, the Xc 47 is a sophisticated bluewater yacht, crafted for secure and comfortable ocean journeys. The design prioritizes making short-handed sailing both safe and straightforward," explains Thomas Mielec, the head of design and engineering at X-Yachts.

"Many of our clients dream of embarking on extended voyages, often circumnavigating the globe. With this yacht, they will be fully equipped to seize such adventures whenever the chance presents itself."
