OVERVIEW

UNWAVERING, the 2022 SUNREEF 50A Galley Up, comes to market for the first time from her original owner. She presents a five-cabin arrangement with an owner's suite plus four guest cabins, paired with the sought-after galley-up configuration ideal for entertaining. Expansive exterior decks rival those of larger sailing catamarans, while generous headroom in the main salon and lower cabins enhances the sense of volume.

She has been substantially upgraded, including larger engine and generator packages, flybridge modifications with a Bimini extension, and a hardtop with windows. Professionally crewed since launch, UNWAVERING is a compelling offering. Length overall: 50 ft.

DETAILED DESCRIPTION

Build Spec Upgrades

UNWAVERING is a 2022 SUNREEF 50A Galley Up, length overall 50 ft. The vessel features a 110 HP engine upgrade and a bimini extension. Accommodation modifications include bunk beds, a mattress atop the galley table, a mattress behind the sofa, hanging double shelves over the sink and a movable storage module in the galley, plus additional storage and mirrors (four door mirrors and one wall mirror). Galley equipment comprises a built-in double door fridge/freezer and a removable ladder; a cover kit and net sunshade for the cockpit are also fitted.

Deck and hull work includes a stripe on the hull, teak on all decks, platform modification with wing and dinghy pack plus, and an anchor upgrade to a 66 kg CQR with a 10 m galvanized anchor chain extension. A chain counter is installed on the windlass. Two waterproof electric sockets are provided in the cockpit and flybridge, and two waterproof speakers are installed on the front terrace. There are nine phone charger pads and two SS cupholders at the helm, and local buttons for winches have been fitted in lieu of remote control. The helm has an added Triton display.

Systems upgrades include an upgrade of blackwater tanks to a single 500 L tank; two electric pumps for changing oil in engine and transmission; two B&G analog cameras; UV filters installed after the watermaker and after pumps from fresh water; replacement of Yamaha with Sonos throughout; Starlink; and a downgrade to MCA Category 2.

Rigging & Sails

UNWAVERING is a 2022 SUNREEF 50A Galley Up, 50 ft LOA. She features a

single electric furling system for the genoa.

Mechanic

The 2022 SUNREEF 50A Galley Up UNWAVERING is fitted with a bow thruster and rope cutters on both propeller shafts. The fuel capacity has been expanded to two tanks of 750 liters each. Additional engine instruments, including speed control at the navigation table, are installed, and folding propellers accompany the 80 hp Yanmar engines. Shestakov Yacht Sales

Deck Gear

UNWAVERING is a 2022 SUNREEF 50A Galley Up with a length overall of 50 ft. The deck gear features a stainless steel bimini over the steering station on the flybridge, a transparent canvas bimini windshield for the front, and a transparent canvas bimini windshield for three additional sides (requiring the front windshield). It includes upgrades to three electric winches and to an electric main winch, a cover kit for the steering wheel, navigation station and fly table, and a hydraulic platform with a 700 kg capacity. Shestakov Yacht Sales.

Electrical Systems

UNWAVERING is a 2022 SUNREEF 50A Galley Up, LOA 50 ft. The installation features an AC 230V 50Hz single phase main switchboard with a panel extension and manual shore–generator changeover, complemented by two 24V/100A chargers and a 3,000W inverter rated 220V/50Hz. Shore power is supplied through two 63A inlets. Accommodation and living areas provide receptacles as follows: three 230V sockets per cabin, three in the saloon, three in the dining area, and four in the galley. The DC system has been upgraded

from 600Ah to 1,000Ah at 24V. An additional 3,000W inverter delivers 120V/60Hz service to ten sockets. Each engine start battery bank has its own dedicated charger, one on each side. A 19 kW generator rated for 50Hz, 230V is fitted.

Broker: Shestakov Yacht Sales

Lights

UNWAVERING, built in 2022 by SUNREEF, is a 50A Galley Up model with an LOA of 50 ft. The vessel features a Domotic system for lights, controls, and the DC system, including dimmers for ceiling lights and integrated control for lighting with dimming, navigation lights, and operation of black water discharge pumps. The system provides measurement functions such as tank level monitoring with alarms for fresh water, black water, and fuel; battery and Victron charger monitoring with alarms for the starter, main battery bank, and emergency batteries; and engine room temperature monitoring. Two underwater LED lights are installed, selectable in a single color as white or blue, with localization to be chosen. Exterior lighting upgrades over standard include underlighting of fixed flybridge furniture with a white LED stripe and underlighting of fixed cockpit furniture with a white LED stripe. A mast LED courtesy light is fitted, selectable in a single color as white or blue. Shestakov Yacht Sales.

Navigations & Electronics

UNWAVERING is a 2022 SUNREEF 50A Galley Up, 50 ft LOA. Her navigational and electronic equipment comprises a B&G package featuring a wind sensor; speed, depth, and temperature sensor; GPS; Zeus controller; Triton autopilot; V90S black box VHF AIS receiver; two Zeus^3 16 chartplotters with basemap; a searchlight; and a fog horn. She is equipped with a B&G AIS system; a second

B&G VHF station; a B&G HALO24 radar; a B&G wireless autopilot controller; and a B&G forward-looking sonar.

Plumbing

UNWAVERING is a 2022 SUNREEF 50A Galley Up, LOA 50 ft. The onboard plumbing features a 280 l/h watermaker (230 V); a seawater pump for deck washing with two pressurized freshwater outlets on the cockpit and front terrace, equipped with a female quick-coupling snap connector; a freshwater inlet to connect the boat's water system to shore water supply; a freshwater outlet for deck washing; a retractable 5 m hose in the chain locker for chain washing; and a cockpit ceiling shower head fitted with a mixing valve.
Shestakov Yacht Sales

Comfort on Board

UNWAVERING is a 2022 SUNREEF 50A Galley Up, 50 ft.

The saloon, master cabin and nav station are fitted with electrically recessed blinds, while the remaining cabins have manual blinds; cabin ceiling hatches feature a manually concealed skyscreen. Air conditioning rated at 70,000 BTU/h is installed, complemented by a ventilator set in each cabin, in the galley and on deck. Entertainment provisions include a Hi Fi Pack 1 for saloon and/or outdoor use with a Yamaha Home Cinema Receiver 7.2, five ceiling speakers and one active subwoofer, plus waterproof speaker sets: two in the cockpit, two in the flybridge and two on the forward deck. The galley appliances package comprises a dishwasher for nine place settings, a cooker hood, an electric oven with microwave function and an induction stove. Additional equipment includes a safe, a washing machine with dryer and complete installation, and a wine cooler for 32 bottles. Deck and relaxation fittings comprise a flybridge cushions set and flybridge mattress with 15 decorative

pillows, a cockpit mattress with eight decorative pillows, a flybridge bar module without top hatch with sink and retractable faucet, ice maker and low fridge, and a cockpit bar module without top hatch with sink and retractable faucet, ice maker and low fridge. A cover set for the sundecks on the forward terrace is supplied.

Listed by Shestakov Yacht Sales.

Interior/Exterior Design

The UNWAVERING, a 2022 SUNREEF 50A Galley Up, measures an overall length of 50 ft and features teak decking throughout the cockpit, front terrace and skirts floor, with the flybridge also covered in teak.

Safety Equipment

UNWAVERING, a 2022 SUNREEF 50A Galley Up with an LOA of 50 ft, is adapted to commercial requirements MCA cat (Red Ensign). It is equipped with an automatic fire extinguishing system in the engine rooms, an EPIRB, a gas detection system with alarm, and a shroud cutter. The vessel carries complete rescue equipment with life-rafts for 12 persons, and an additional EPIRB is onboard. Shestakov Yacht Sales.

Mooring & Tools
