OVERVIEW

Current Price should be regarded as a guide only; all reasonable offers will be welcomed. The 1984 Frers 50, penned by the renowned German Frers, is a distinguished, high performance sailing yacht celebrated for its forward thinking lines and exhilarating pace. This 50 foot racing sailboat represents a rare opportunity for the discerning mariner seeking a Cruiser Racer, Offshore Racer, or Performance Cruiser project with true pedigree. With sleek monohull proportions, a purposeful keelboat silhouette, and inherent regatta and bluewater character, she offers exceptional promise once restored to her rightful condition.

Ashore since 2018, the yacht was prepared for a refit during which the engine was removed and the cabin sole lifted; both the engine and the removed sole are being kept in storage and will be transferred with the vessel. The refit remains unfinished and the owner has elected to sell, so all serious proposals will be considered. Please be advised that a trailer is not included in the sale. Professional logistics support can be arranged to manage transport nationwide, including the provision of custom cradles, and delivery to port for overseas shipping—such arrangements can be coordinated on request.

No representations are made concerning the condition of the engine, auxiliary motors, or any onboard systems; interested buyers should consult the machinery disclaimer and undertake whatever inspections they consider necessary. While photographs may show the engine bay or equipment spaces, the purchaser bears sole responsibility for confirming actual condition. Do not presume that tools, accessories, or spare parts are included unless they are present at the time of viewing; the yacht is offered strictly as seen. Offers should be based on the inventory and condition you observe.

All particulars are presented in good faith but are not guaranteed; buyers must independently verify any details material to their purchase decision. This vessel

is offered subject to prior sale, change of price, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranties or guarantees, expressed or implied, including no warranties of merchantability or fitness for a particular purpose, and no verbal commitments shall modify the terms of sale.

For the sailor in search of a project with authentic heritage and race bred DNA, this Frers 50 awaits transformation into a superb sailing yacht once more—an elegant, swift, and capable Cruiser Racer endowed with the structure for offshore voyaging, bluewater passages, and competitive regatta performance.
