OVERVIEW

The Lagoon 52 Fly, an exceptional model from the renowned Lagoon (CNB) shipyard, is offered in pristine condition. This elegant catamaran, named "Tiga", presents a refined interior plan with five guest cabins and two crew cabins, providing generous accommodation for both owners and staff. Comfort and autonomy are assured by a fitted generator, air conditioning throughout, and a watermaker, while ambient evening scenes are enhanced by underwater lighting. On deck and for exploration, the yacht carries large dinghies and a Seabob S5F, marrying leisure equipment with serious cruising capability. Highly prized on the charter circuit, this Lagoon 52 Fly holds strong appeal for buyers interested in yacht sales at the vessel's current location. The sale also offers continuity for charter operators, as our company can maintain the business with full services including dockage, maintenance, marketing, and guest reception. For those seeking a vessel that blends sophistication with practical performance, this opportunity should not be overlooked.
