DETAILED DESCRIPTION

It's in the details...

The Beneteau Oceanis 51.1 Owner's Version, a yacht with a single owner, stands at the cutting edge of modern sailing craft. Its sleek lines, pioneering stepped hull, and chic deck layout are crafted for both high performance and comfort. The Oceanis 51.1 is exceptionally user-friendly, delivering an intelligent sailing experience with an astounding selection of over 700 customization possibilities to match any sailor's tastes.

A key highlight of this yacht is its stepped hull, which not only boosts its visual allure with a flared design but also adds extra interior space. This ingenious layout allows for innovative configurations, maximizing the yacht's ample dimensions. The focus on sleek cruiser lines ensures that navigating the vessel is a pleasure, while the design emphasizes safety, providing reassurance on the open seas.

The Oceanis 51.1 features a generous cockpit, ideal for unwinding and sunbathing, paired with an aft swim platform that guarantees genuine comfort and easy water access. Expansive hull portholes illuminate the interior with natural light, accentuating the sophisticated design by Nauta Design and fostering a cozy, welcoming ambiance. Owners have the option of choosing between brushed oak or mahogany finishes, further expanding the yacht's customization potential and allowing for a bespoke touch.

In summary, the Beneteau Oceanis 51.1 is a seamless fusion of elegance, innovation, and practicality, delivering a luxurious sailing experience tailored to the desires of the discerning sailor.

Must see info :-)

This yacht exemplifies the pinnacle of contemporary sailing innovation and opulence, featuring an array of remarkable attributes and enhancements that make it essential viewing for any dedicated sailor. Leading its sailing prowess is the new Code Zero sail, fitted with a Harken self-furler roller furling system for seamless and efficient maneuvering. Accompanying this is a brand-new mainsail, while the existing sails remain in superb condition. The yacht also boasts a new oversized Genoa, a notable \$13,000 enhancement that boosts its performance.

Navigating is effortless with the B&G fully integrated system, which includes three touchscreen GPS plotters for comprehensive and intuitive management. For entertainment, the Fusion stereo system provides exceptional sound quality both inside and outside the yacht. The engine has been carefully maintained, with just 500 hours of operation, and even fewer on the generator, ensuring dependability and durability.

The yacht is outfitted with a Rain Man watermaker, a bow thruster powered by two separate batteries, and a bronze three-bladed folding propeller, all contributing to its outstanding functionality. Safety is a top priority, with a life-raft included, and the vessel's fuel and water capacities are impressive, holding 220 gallons of fuel in two tanks and 200 gallons of water in three tanks. Visually, the yacht is enhanced by underwater LED blue lights, controllable via an iPhone, adding a touch of sophistication and modern flair. It has been professionally maintained, ensuring it remains in immaculate condition, and can reach speeds of up to 10 knots under power. The yacht is equipped with all necessary gear, representing tens of thousands in extras, including custom upgraded bimini, dodger, and enclosures.

Further upgrades include multiple oversized bilge pumps, custom A/C raw water pumps and strainers, and 1 kW solar panels for sustainable energy. An

optional tender, a double hull aluminum ribbed 10' with a center steering wheel, is available for purchase separately, offering additional versatility and convenience. This yacht is truly an extraordinary vessel, merging state-of-the-art technology with luxurious comfort, making it an outstanding choice for any discerning sailor.
