## OVERVIEW

---

This 2021 Dufour 530 presents in exceptional condition, having been only lightly sailed since her launch and kept in prime order through meticulous servicing and considered specification. She blends lively cruiser racer performance with a hushed, comfortable ride and the clean lines of contemporary luxury monohull design, delivering both athleticism and refinement on passage.

The much desired three cabin layout provides generous accommodation for owner and guests, the interior feeling bright and modern with an expansive saloon, a well equipped galley and welcoming cabins enhanced by ample, discreet stowage. The arrangement thoughtfully balances privacy and practicality, making her particularly well suited to extended bluewater cruising while remaining comfortable for shorter voyages.

Afloat, the Dufour 530 inspires confidence with responsive, effortless handling. Wide cockpit ergonomics, twin wheels and tidy, uncluttered decks create a safe, efficient working environment under sail, equally manageable short handed or with a full crew. The sail inventory is superb; several sails, including kites, are still brand new in their bags and unused, offering exceptional value and immediate readiness for an owner seeking a turnkey performance cruiser and elegant offshore sailing yacht.

# DETAILED DESCRIPTION

---

## Description dufour 530

---

Step aboard with ease via the Besenzoni hydraulic three metre passarelle with remote control, and discover a Dufour 530 thoughtfully upgraded for effortless cruising and refined performance. Energy autonomy is provided by four Solbian flexible solar panels mounted on the bimini, feeding a new full electrical system underpinned by four Victron lithium batteries to ensure reliable power for extended trips. Under sail, handling is precise thanks to the hydraulic adjustable backstay, while the sail wardrobe has been expanded with additional furling options from Quantum, including a lightly used Code Zero and an unused furling spinnaker, both ready to unlock extra power across the wind range. At anchor, life is elevated by a fold down swim platform and a barbecue grill, complemented by a Highfield 2.9 m semi rigid inflatable tender driven by a Torqeedo electric outboard; supplementary davit equipment with blocks and tackle and a spare anchor stowage bag add practical utility. Thoughtful touches abound, from the illuminated transom name to the convenience of a microwave oven in the galley, and peace of mind comes standard with a full safety equipment package compliant with Greek charter regulations.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
