## OVERVIEW

---

Cherry joinery and cream upholstery create a warm, refined interior where an integrated galley flows effortlessly into an elegant lounge. Manoeuvrability is enhanced by bow and stern thrusters, while a comprehensive Raymarine navigation suite — including Chartplotter, AIS B, VHF and Autopilot — is complemented by twin electronic throttles and full NMEA engine data for precise control and monitoring. Solar panels contribute to onboard autonomy. A stainless-steel anchor with electric windlass, together with a hydraulic swim platform and a folding hydraulic passerelle, make boarding and water access exceptionally simple. Deck gear is equally well appointed: two self-tailing electric winches, in-mast furling, dual forestays equipped with a powered genoa/jib and protective covers, plus a self-tacking jib and gennaker for versatile sail plans. Comfort on deck is assured by a foredeck sunbed and sumptuous cockpit cushions beneath a sliding cockpit bimini.
