## OVERVIEW

---

Little Dragon, an exquisite example of a Truly Classic yacht, was elegantly crafted by the renowned Holland Jachtbouw shipyard in 1998, under the expert design of Hoek Design. This stunning vessel boasts a contemporary wood/composite hull construction, ensuring remarkable structural integrity while completely eliminating any worries about corrosion.

The yacht features a traditional layout, with the master suite located at the bow, complete with a separate shower compartment. The spacious salon is situated amidships, accompanied by two double cabins at the stern, accommodating a total of 6 guests in luxurious comfort. The pilot house provides a cozy and secure environment, perfect for enjoying the journey even in less than ideal weather.

Little Dragon's innovative underwater hull design draws inspiration from the proven hull lines of the 1930s, guaranteeing safe and smooth navigation in all sea conditions. Her impressive sail plan, equipped with hydraulic winches and furling headsails, offers both exceptional performance and effortless handling. This magnificent yacht is currently available for viewings by appointment in Denmark, making it an ideal opportunity for those looking to buy a yacht in the current boat location. Don't miss your chance to explore this remarkable vessel, a true gem in the world of yacht sales.
