DETAILED DESCRIPTION

Sunreef 58 sail catamaran

This Sunreef 58 has been conceived for owners who demand the perfect synthesis of comfort, seaworthiness and long-range sailing capability. With an impressive 30-foot (9.1 m) beam, she delivers extraordinary stability and spacious living areas, forming a confident platform for extended passages or serene days at anchor. Whether slipping into a secluded cove or making an offshore passage, she preserves the celebrated performance and safety that have become synonymous with Sunreef Yachts.

Inside, the layout accommodates up to eight guests across four elegantly appointed en-suite cabins. The owner's suite is marginally larger and benefits from additional storage, while three equally comfortable guest cabins ensure privacy and luxury for all aboard. A luminous, open-plan saloon creates an inviting social hub, harmonizing a relaxed lounge with a formal dining area, and the galley—partially open to the saloon via a refined breakfast bar—promotes effortless service and convivial living, ideal for both private entertaining and professional charter hospitality. The interior finishes in matte lacquered woodwork paired with crisp white upholstery produce a timeless, welcoming atmosphere that feels immediately like home.

The yacht has never been chartered and has remained in the hands of her original owner since delivery, cared for to an exceptional standard while serving as a family home during extensive cruising throughout the Mediterranean. That attentive ownership is evident in her excellent overall condition. In 2021 she received a thorough cosmetic refresh that included the application of premium paint protection film to the hull and a sophisticated change of exterior color from purple to a deep dark blue, enhancing both her contemporary appearance and the durability of the finish.

Although she has not been commercially operated, this Sunreef 58 retains all the qualities that make the model a favorite among luxury charter programs: generous guest accommodation, expansive exterior living spaces, a comfortable, guest-focused layout and proven cruising capability provide a superb foundation for an owner wishing to launch a high-end charter venture or to offset ownership expenses through occasional charters.

Ready for immediate delivery, this privately owned and meticulously maintained Sunreef 58 represents a compelling opportunity for Mediterranean family cruising, ocean-crossing adventures or the establishment of a refined luxury charter operation. She combines pedigree, comfort and condition in a turnkey package, prepared to be enjoyed from day one.
