OVERVIEW

Impeccably maintained, the Sunreef 58 Sail offers a rare opportunity to acquire a privately owned luxury sailing catamaran, equally suited to refined family cruising or as the centerpiece of an upscale charter program. With a generous 9.1 m (30 ft) beam, this bluewater multihull delivers exceptional stability, expansive deck and interior volume, and confident offshore performance. Accommodation for up to eight guests is thoughtfully arranged across four en-suite cabins and anchored by a spacious owner's suite, while the luminous saloon and semi-open galley cultivate a seamless indoor-outdoor living experience. Understated matte timber accents paired with crisp white upholstery lend the interior a contemporary yet enduring elegance. Unlike many vessels in this size range, she has never been chartered and has remained with her original owner since launch; privately cruised throughout the Mediterranean, she has been maintained to meticulous standards. In 2021 the hull received premium paint protection film (PPF) and a refined dark-blue repaint, enhancing both appearance and long-term preservation. Combining generous layout, proven cruising capability and the esteemed Sunreef pedigree, this performance cruising catamaran also presents compelling charter potential for owners wishing to generate income when not in private use. Offered for immediate delivery in excellent condition, this Sunreef 58 is turn-key and ready to be savored from day one.
