OVERVIEW

Sunreef 60 BETAME (2021) is an opulent 60-foot sailing catamaran crafted for those who appreciate luxury, elegance, and high performance. Presently situated in Turkey, this exquisite yacht is perfect for lavish cruising, private charters, or extensive ocean voyages.

With a novel superstructure design and a blend of modern and classic aesthetics, BETAME exemplifies Sunreef's renowned craftsmanship. Her high bulwarks, graceful contours, and abundant natural wood accents highlight both safety and sophistication.

The saloon is a bright, central area for lounging and dining, seamlessly connecting to both the aft cockpit and the forward bow terrace, creating a harmonious indoor-outdoor living experience. The oak and cream finishes throughout evoke a tranquil and refined ambiance.

The aft cockpit is ideal for alfresco dining and evening drinks, enhanced by a hydraulic beach club that descends to sea level, providing a perfect spot for sunbathing or launching water activities. The forward bow terrace offers a cozy, wind-protected haven with sweeping views, perfect for sun enthusiasts and relaxation seekers.

Above, the spacious flybridge merges practicality with leisure, featuring a fully equipped wet bar, barbecue, sun pads, and extra seating, making it an outstanding area for entertaining or unwinding while sailing.

Below deck, BETAME accommodates up to 6 guests in three ensuite cabins, including a lavish master suite. Two additional guest cabins ensure ample comfort, while crew quarters for two are located in the port hull, guaranteeing discreet and professional service onboard.
