OVERVIEW

Price Drop Alert!

Bella Luna is an exquisite and timeless Gulfstar 60' Sloop, meticulously cared for and maintained. Only 15 of these Gulfstar 60' yachts were crafted between 1981 and 1986. Constructed in Tampa, FL, U.S.A., she is the brainchild of designer R.C. Lazarra.

Bella Luna has demonstrated her prowess as a reliable ocean-going yacht. Having journeyed from the South of France, she underwent significant enhancements over two years in Baja Naval, Mexico. Bella Luna is primed to offer you and your loved ones an unparalleled sailing experience across the globe.

Featuring a layout with four staterooms and three head compartments, she is the epitome of a true blue water sailboat and is certainly worth your attention. Acquired by the current owner in 2022, Bella Luna has been a cherished companion for sailing adventures in San Diego Bay. The owner had dreams of embarking on an extensive blue water voyage with her, but unfortunately, those plans cannot be realized, prompting the yacht sale.

The seller is offering a unique opportunity for the new owner to keep Bella Luna in his private slip at Coronado Cays free for one year, with the possibility of negotiation thereafter.

Bella Luna is a yacht for sale that must be seen to be fully appreciated. Don't miss the chance to buy a yacht that promises elegance and adventure.
