OVERVIEW

Moon Yacht represents a remarkable evolution in the realm of catamarans. Inspired by the moon and its extraordinary influence, this vessel has been designed to guide you through your nautical adventures, much like the moon has guided sailors for centuries.

Our creation is a direct response to the increasing desire for spacious and uniquely tailored lifestyle vessels. We aim to deliver unparalleled comfort and individuality. The Moon Yacht is not just a luxurious option; it embodies a distinctive lifestyle choice.

The elegance of this catamaran is accentuated by its exquisite teak wood bulwark trim, which lends it a classic charm. The innovative connector design and the sleek silhouette of the superstructure elevate the comfort level to new heights. This Moon 60 is set to be available in July 2023, featuring a charter layout with 8 cabins, fully equipped for your ultimate enjoyment.
