## OVERVIEW

---

Spanning 19.20 meters overall with a generous 5.20 metre beam and a 2.50 metre draft, this classic wooden motor yacht marries hand crafted elegance with assured seafaring capability. Laid down on 14.07.2004 in Tuzla by Huzur Tekne – Ali Çelik and completed in 2005, she is registered in Istanbul and presents the enduring charm of a luxury wooden vessel while functioning as a practical, capable cruiser. Her LOA is 19.20 m with a registered length of 17.20 m, and she registers 45.54 GT and 22.60 NT, numbers that speak to a substantial, stable platform for graceful passages and refined onboard entertaining.

Propulsive power is provided by twin Cummins 4BT3.9M diesel engines, each a six cylinder unit producing 130 hp at 2500 rpm (serial numbers 21626933 and 21625232), yielding a combined output of 260 hp that advances her with quiet confidence. Onboard systems are supported by an ONAN generator, model MDKBD 567036B (engine no. D040637840), and a diesel capacity of 2.5 m<sup>3</sup> gives generous range for coastal hops or longer voyages. Built completely of wood, she exudes the warmth and sophistication of a traditional yacht while remaining eminently usable in modern service. Arranged to accommodate up to eight guests in comfort, this luxury cruiser is equally suited to charter duties or private family ownership, offering dependable engineering, cultivated character, and the serene composure of a blue water capable motor yacht.

# DETAILED DESCRIPTION

---

## 2006 motorsailor

---

A classic wooden motorsailor that marries craftsmanship with capable performance, this 2006 motorsailor—keel laid on 14.07.2004 in Tuzla and completed in 2005 by Huzur Tekne - Ali Çelik—sails under the registry of Istanbul. Constructed entirely in wood and designated as a wooden yacht, she spans a full length of 19.20 meters with a width of 5.20 meters and a depth of 2.50 meters; her LOA is 19.20 M with a register length of 17.20 M, a beam of 5.20 M and a draft of 2.50 M, dimensions that translate to a gross tonnage of 45.54 GT and a net tonnage of 22.60 NT for generous volume and poise under way. Propulsion is entrusted to twin Cummins 4BT3.9M main engines—Engine 1 serial no 21626933 and Engine 2 serial no 21625232—each with six cylinders producing 130 HP at 2500 RPM, delivering a total power of 260 HP; onboard electrical autonomy is secured by an ONAN generator, model MDKBD-567036B, engine no D040637840. Fuel is diesel with a capacity of 2.5 m<sup>3</sup>, and the vessel is arranged for a maximum of eight persons, a specification that invites comfortable coastal cruising and confident passagemaking.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
