OVERVIEW

Crafted in Poland, just a short distance from the renowned Sunreef facility, the Moon 65 stands as an ideal choice for a charter yacht. Offering an exceptional return on investment, this vessel is priced more competitively than its Sunreef, FP, and Lagoon counterparts. Each Moon yacht is meticulously tailored to your preferences, with every component, including the stainless steel, produced in-house. Priced at approximately 3.6 million, this charter yacht, available for over 20 weeks annually, outshines its rivals. Managed by The Yacht Vacation Company, these yachts are designed to accommodate 10 guests and a crew of 3, ensuring a luxurious experience. If you're considering a yacht for sale, the Moon 65 in its current boat location is a compelling option for those looking to buy a yacht.
