OVERVIEW

Imagine an elegant haven afloat: a spacious 250 sqm living environment thoughtfully arranged into four refined cabins, complemented by an expansive 100 sqm terrace where each dawn can reveal a new, breathtaking anchorage. Built upon a sturdy aluminum catamaran hull, this vessel pairs seaworthy construction with comfort, powered by twin 80 HP Diesel Yanmar engines and supported by a generator, while residential style air conditioning and solar panels ensure island independence and everyday ease. Completed just a year ago and never before used, the yacht presents itself as a pristine, move in ready option for those seeking both sophistication and adventure. Available for sale at its current boat location, it offers a rare opportunity to claim an opulent floating residence outfitted with premium systems and numerous luxurious amenities.
