OVERVIEW

HULL #4 Available December 2024

MCP Global Exp 68

Crafted by MCP YACHTS, the Global Exp 68 is the brainchild of engineers Damien and Manoel Chaves, a duo of seasoned sailors and aluminum shipbuilders. Their vision is to offer a sustainable yacht that ensures comfort and safety for global adventurers. This yacht for sale embodies the elegance and security of an MCP Yacht, infused with the thrill of exploration.

Aluminum and Material Innovation: The yacht's hull, made from alloy 5083 aluminum certified by Lloyd's Register, is both lightweight and incredibly strong. It boasts durability, non-flammability, and rigidity far superior to traditional fiberglass hulls. The use of smart joinery and low-density composite structures enhances the yacht's performance, making it a standout in yacht sales in the current boat location.

Key Features:

Aft Cabin Main Stateroom: Experience unmatched luxury with a king-size bed, private office, spacious closets, a sofa, and a lavish bathroom.

Cockpit and Doghouse: The central cockpit offers expansive space and is shielded by a beautifully designed hardtop, eliminating the need for fragile canvas covers. The Global Exp 68 is always poised and ready for the next adventure.

Engine Room: A fully enclosed, high-ceiling engine room with watertight doors and aluminum bulkheads ensures safety and acoustic insulation, handling temperatures up to 600°C.

Raised Salon and Pilot House: Enjoy serene sailing in any weather with a pilot house offering panoramic sea views, complete with navigation electronics and autopilot controls.

Swing Keel: The hydraulic retractable keel minimizes draft to 1.85 meters, safeguarding the propulsion system and rudder, while acting as a shock absorber during impacts.

Electronic Technical Area: A ventilated space dedicated to navigation electronics and battery systems, ensuring optimal conditions for sensitive equipment.

Midship Cabins: Unique guest suites with sea views, double beds, and private bathrooms, offering comfort and ample storage.

Front Cabin: A spacious suite with a double bed, sofa, and abundant storage, featuring a private bathroom and access to the front Technical Area.

Bow Technical Area: A well-designed workspace for maintenance and tool storage.

This yacht for sale is a testament to MCP YACHTS' dedication to sustainability and exceptional cruising experiences. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises unparalleled luxury and adventure.
