OVERVIEW

Step aboard an exquisite 72-foot vessel, a 2007 masterpiece moored in the picturesque waters of France, where timeless design meets modern comfort. This yacht embodies refined craftsmanship and invites both tranquil escapes and spirited exploration, offering an irresistible prospect for buyers in the yacht sales market.

Underway, the yacht's twin Yanmar inboard diesel engines deliver a dependable cruising pace of 10 knots, with a confident top speed of 16 knots that ensures every passage is both smooth and enlivening. The exterior speaks to intelligent marine engineering: a robust hull fashioned from fiberglass and plastic paired with a composite deck that balances strength and grace. An ample 45-foot beam provides roomy stability, while a draft that varies from 12.031 to 38.278 feet allows for adaptable navigation across different waterways.

Interior spaces are curated as a serene sanctuary, the work of an unnamed interior designer whose touch is evident in the careful balance of style and utility throughout. Generous living areas offer an elegant stage for entertaining or quiet reflection, all framed by panoramic views and the gentle rhythm of the sea.

Ready for extended cruises, the yacht carries 500 gallons of water and 1000 gallons of fuel, equipping you to pursue distant horizons without compromise. Now offered for sale, this vessel presents a rare opportunity to own a piece of maritime excellence. Contact us today to arrange a viewing and begin a new chapter of luxury and discovery.
