OVERVIEW

The Shipman 72 available now is a superb turnkey proposition: a swift, deeply satisfying performance cruiser that rewards helmsmen who hunger for speed married to authentic superyacht refinement. Fresh from an exhaustive, no expense spared refit, CAIAROSSA has had every system inspected, renewed or rebuilt. Her full carbon fibre composite hull, carbon deck and carbon rig epitomize the purist's ideal; she is quick yet reassuringly stiff thanks to a deep lifting keel (4.0 m down / 2.6 m up) and twin rudders. VAT paid, she is a bluewater sailing yacht and luxury performance cruiser racer perfectly suited to fast passage making and regatta capable cruising.

DETAILED DESCRIPTION

Full specification

This Shipman 72 for sale represents a true turn key opportunity: a fast and rewarding pocket rocket cruiser for the sailor who wants exhilarating pace delivered in genuine superyacht comfort. Following a meticulous recent refit, CAIAROSSA has had every system checked, renewed or overhauled, and she now presents as exceptionally ready to cruise. Her all carbon composite hull, carbon deck and carbon rig make her a sailor's dream—swift, beautifully stiff and reassuringly responsive, aided by a deep keel (4 metres down/2.6 m up) and a twin rudder arrangement that gives surefooted control at all angles of heel.

On deck, thoughtful, user friendly design makes this seventy two foot bluewater cruiser effortless to run with minimal crew: all control lines lead aft to the twin helm stations where powerful hydraulic winches make short work of manoeuvres in the spacious cockpit. All performance sails are in excellent condition, and a new furling Code Zero is a joy to unfurl, adding real punch and light air pace; for downwind exhilaration asymmetric spinnakers can be flown with ease from the telescopic pole that tucks neatly away within the bow—perfect for those who prize fast, rewarding cruising, even when short handed.

At anchor CAIAROSSA comes into her own: fold down the aft garage door to reveal a very large teak decked swim platform that practically kisses the water, ideal for cooling off, lounging or launching the new Highfield aluminium tender with ease. A unique highlight is the hydraulic fold out passarelle, which also creates a useful transom bench across the back of the cockpit and doubles as a playful diving board, adding both safety and fun to life aboard.

Below decks the yacht offers well considered accommodation for extended

cruising: three dedicated guest cabins sleeping six in total, plus a crew cabin in the bow sleeping two. The large forward owner's suite features a super king size bed, a generous sofa to starboard and a well proportioned desk/vanity table, while forward lies the expansive owner's bathroom with a walk in wet room, washbasin and WC; the master benefits from particularly ample storage for long passages. Aft of the central saloon and galley are two twin bed guest cabins positioned either side of the companionway, each convertible to a double if desired and each served by its own dedicated bathroom with a separate shower stall. All cabins are well ventilated and air conditioned, each with its own room thermostat.

The large central saloon is a wonderfully welcoming refuge from sun or weather, with a substantial dining table to port seating six to eight and the galley opposite—an arrangement that underscores how perfectly this yacht is suited to family time, easy entertaining and sharing life on board with friends and loved ones. Throughout, the interior is finished in warm natural teak on floors and walls, creating a timeless yet contemporary ambience.

Shipman 72 CAIAROSSA is in excellent condition throughout and genuinely ready to cruise; a new owner can step aboard with confidence, knowing that all engineering systems, mast, rigging and technical aspects have been thoroughly overhauled to ensure safety and smooth, reliable operation. The owners are selling as they now wish to step up to a sail yacht of over one hundred foot, so we recommend viewing at your earliest convenience—she will not disappoint.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
