OVERVIEW

The Shipman 72 now offered is an exceptional ready-to-sail opportunity — a swift, deeply gratifying performance cruiser that rewards helmsmen who seek pace married to genuine superyacht refinement. Fresh from an exhaustive, no-expense-spared refit, Shipman 72 CAIAROSSA has had every system inspected, renewed, or rebuilt. Her full carbon-fibre composite hull, carbon deck and carbon rig will delight the purist; she is rapid yet reassuringly stiff, thanks to a deep lifting keel (4.0m down / 2.6m up) and twin rudders. VAT-paid and presented as a bluewater sailing yacht and luxury performance cruiser-racer, she is ideal for fast passage-making and regatta-capable cruising.

DETAILED DESCRIPTION

Full specification

This Shipman 72 for sale is a true turn key opportunity: a fast and rewarding pocket rocket cruiser for the sailor who wants exhilarating pace delivered in genuine superyacht comfort. Following a meticulous recent refit, CAIAROSSA has had every system checked, renewed or overhauled, and she now presents with an all carbon composite hull, carbon deck and carbon rig that make her both swift and beautifully stiff, enhanced by a deep keel (4 metres down/2.6 m up) and a twin rudder arrangement. On deck, thoughtful, user friendly design makes this seventy two foot bluewater cruiser effortless to run with minimal crew, with all control lines led aft to the twin helm stations and powerful hydraulic winches turning manoeuvres in the spacious cockpit into a simple, safe process. All performance sails are in excellent condition and a new furling Code Zero brings immediate punch and pace in light airs, while asymmetric spinnakers can be flown downwind with ease from the telescopic pole that tucks neatly away within the bow, making short handed fast cruising both accessible and exhilarating. At anchor, CAIAROSSA comes into her own: fold down the aft garage door to reveal a very large teak decked swim platform that almost kisses the water and makes launching the new Highfield aluminium tender effortless, and enjoy the unique hydraulic fold out passarelle that forms a useful transom bench across the back of the cockpit and doubles as a playful diving board. Below decks the yacht offers three dedicated guest cabins sleeping six in total, plus a crew cabin in the bow sleeping two; the spacious forward owner's suite features a super king size bed, a generous sofa to starboard and a well proportioned desk/vanity, while forward lies an expansive owner's bathroom with a walk in wet room, washbasin and WC and unusually generous storage for extended stays aboard.

Aft of the central saloon and galley are two twin bed guest cabins positioned either side of the companionway, each convertible to a double and each with its own dedicated bathroom and separate shower stall; all cabins are well ventilated and air conditioned, each with its own room thermostat. The large central saloon is a wonderfully welcoming refuge from sun or weather, with a substantial dining table to port seating six to eight and the galley opposite—an arrangement that perfectly suits family life, easy entertaining and sharing time on board with friends and loved ones, while the interior's warm natural teak on floors and walls creates a timeless yet contemporary ambience. Shipman 72 CAIAROSSA is in excellent condition throughout and genuinely ready to cruise; a new owner can step aboard with confidence knowing that mast, rigging, engineering systems and all technical aspects have been thoroughly overhauled to ensure safe, smooth and reliable operation. The owners are selling as they now wish to step up to a sail yacht of over one hundred feet.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
