OVERVIEW

Originally launched in 2006 as a steel motorsailer by Aegean Yacht and comprehensively refitted in 2026 at our yard with substantial technical and aesthetic enhancements, she is a true blue-water cruiser that marries durability, efficiency and simplicity. Designed for extended, comfortable voyaging, she accommodates eight guests in four elegantly appointed cabins plus a dedicated crew cabin, and her systems have been simplified for effortless operation—making her an ideal choice for owner-operators and for confident single-handed offshore passages.

DETAILED DESCRIPTION

Arinna

Launched in 2006 by Aegean Yacht as a steel hulled motorsailer, Arinna received an extensive refit in 2026 at the same shipyard that renewed her technical systems and implemented a broad programme of general upgrades, presenting a true turnkey proposition for her next owner. Conceived for serious blue water cruising, she combines a rugged structure with efficient long range capability and user friendly systems that reflect the shipyard's in house expertise in steel yacht construction. Her steel hull motorsailer lineage delivers notable seaworthiness, extended range and impressively low fuel consumption, while twin engines — fully overhauled during the refit — provide reassuringly reliable, smooth and economical operation.

Accommodation is arranged for up to eight guests in four cabins, with a separate crew cabin, and the practical interior layout is equally adaptable to private cruising or charter work; experienced owner operators will value her ease of handling and the ability to operate confidently single handed when required. Built and modernized by the original yard to ensure continuity of workmanship and systems integration, Arinna is offered as a solid, ready to use yacht with minimal downtime and no requirement to await major works.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
