OVERVIEW

TAJ is a 24-metre VPLP 77 luxury performance sailing catamaran launched in 2003 by TRI MARINE; she is the product of VPLP's multihull expertise and was conceived to deliver both refinement and pace. Built in lightweight epoxy composite with carbon-fibre reinforcement, her structure fuses rigidity with responsiveness, routinely covering 300–350 nautical miles per day. Optimised for effortless blue-water cruising, she can be comfortably managed by just two crew and features twin aft helms alongside a generous, well-sheltered cockpit. Accommodation is arranged for up to 8 guests across four en-suite cabins, with separate crew quarters for two, and a comprehensive refit in 2018 delivered new engines, generators, standing rigging, refreshed interior finishes and paintwork, while her sail inventory was modernised in 2021.
