OVERVIEW

Designed by naval architect Doug Peterson and launched by the renowned Jongert shipyard in 1995, SCARENA is a luxury sailing yacht that blends speed, safety and effortless comfort. A genuine performance cruiser and bluewater cruiser, she delivers spirited sea-keeping complemented by refined, timeless interiors, enticing connoisseurs who value generous living areas and true long-range cruising finesse. One of only five 2900M yachts built, she is distinguished by a rare four-stateroom configuration that includes an extra ensuite twin, and whether underway or lying quietly at anchor this superyacht offers exceptional comfort and graceful poise.

DETAILED DESCRIPTION

General

SCARENA is a fast, safe and supremely comfortable cruiser, equally at ease circling the globe or delivering high-end Mediterranean charters, featuring a unique mechanical steering system that gives the helm a wonderfully responsive, connected feel under sail. With EU VAT paid, she represents a true blue-water opportunity, ready for ocean cruising and standing as the best offering of her type on the market. Built by the pedigree shipyard Jongert, she is one of only five 2900M models ever launched and uniquely the sole four-cabin yacht in the range, featuring an additional ensuite twin cabin. Meticulously maintained and recently benefitting from a major refit, she is also commercially registered, combining impeccable provenance with ready-to-go versatility and value.

Communication & navigation equipment

A comprehensive suite ensures constant connectivity and confident passage-making: GSM, Satcom telephone and fax, and wireless LAN when in port, complemented by Fleet 33 Satcom and ICOM DSC VHF. Navigation and awareness are entrusted to a Furuno radar, a binnacle-mounted magnetic and gyro compass, a Segatron autopilot, Navnet sounder and Navnet GPS, a Maxsea chart plotter, Navnet wind instruments, and Sat C / Felcom 16 Navtex for dependable offshore information.

Sails & rigging

The rig features a RONDAL mast and boom paired with a North Sails inventory from 2016, highlighted by a fully battened mainsail. The main carries three

reefs in Spectra and spans 204 sqm, while the headsail wardrobe includes a Genoa No. 2 at 110% and a multipurpose spinnaker; a stay is fitted for added versatility.

Deck

On deck, two 50 kg CQR anchors each carry 100 m of 16 mm chain, while sail handling is empowered by LEWMAR hydraulic winches, including two 111, two 58 and one 54. Lifestyle comforts abound with a generous swimming platform, an electro-hydraulic gangway, transom and side-deck showers, and plush sunbathing mattresses.

Galley & laundry

The gourmet galley is comprehensively equipped with a Meiko professional dishwasher, two Miele fridges, a Miele icemaker, and an AEG Competence oven, supported by a four-hob cooker for effortless service. Practicalities continue with a Miele washing/drying machine and an LG microwave, while cold storage is assured by three Miele deep freezers totaling 66 liters.

Audiovisual

Entertainment is curated for every mood with a smart TV in the saloon, Bluetooth-enabled JBL and Sonos speakers, and an open air cinema system, while timeless chess and Starlink high speed internet keep guests engaged and effortlessly connected.

Safety & security

Safety is comprehensive, with EPIRBs and SART, two BFA life rafts for eight persons each, twin safes for valuables, and A. De Keizer alarms providing

vigilant protection at sea and at anchor.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
