		Power:	1125 hp
		Propeller Type:	5 Blade

Engine #4

Engine Make:	Nor-Tech	Hours:	33
		Power:	1125 hp
		Propeller Type:	5 Blade

Manufacturer Provided Description

If you are the kind of person that likes to stay one step ahead of the competition, then GOLD RUSH is your dream boat. You will be able to leave everyone in your wake no matter what the sea conditions are. The larger hull lends itself beautifully to cruising at breathtaking speeds in

the worst of conditions in relative ease and comfort. This big and powerful Cat offers more room in all areas, which translates into a more comfortable stay on-board. The enlarged salon and cockpit areas are even more luxurious, while the engine room benefits most from increased size, as there is now room enough for a total of four engines. The cockpit is very comfortable with a wrap-around wind screen with seating for six.

Professional Operating Crew

Denny Hejja (33 years experience in high performance watercraft, former crew cheif for Popeye's racing, 6 x National Championship Winner, 3 x World Championship Winner, and an all-around specialist in custom rigging, poker runs, and high-performance marine consulting)

Denny has been maninging and maintaining the boat, since new, for her current owner. He is very comfortable and experienced with how to handle these types of vessels and will work with the future owner to safely and comfortably operate this vessel to her full potential.
