Covers

- Bimini Top

Vessel Walkthrough

Enter the salon from the aft deck via a stainless steel framed sliding door. The salon boasts gorgeous cherry wood, comfortable seating, designer fabrics and accessories, entertainment center, abundant lighting, and panoramic views. Forward of the salon to starboard is the circular staircase leading up to the flybridge. Forward to port is the circular stairway leading down to the private amidship master suite, with en-suite head and office. Continuing forward to starboard is the formal dining area. The cherry table is on tracks, which allow it to move laterally away from the wall for comfortable dining. The lower helm is forward of the dining area, with excellent visibility and navigational equipment. Opposite on the port side is the large u-shaped galley, with full size appliances, expansive counter space and abundant storage. Forward of the galley to the port side is a large circular dinette with a round cherry wood table. Continuing forward, steps lead to the VIP berth and a guest stateroom on each side. The VIP is forward with a centerline queen berth and private head. Two guest rooms are aft of the VIP and share a head and shower. Crew quarters with head and shower and private doorway are aft off the aft deck. Access to the flybridge is simple, via exterior or interior stairways. The large flybridge deck space accommodates a tender and davit, generous seating for guests, entertainment center and helm station.

Aft Deck

The large covered aft deck with comfortable seating is a great spot for cocktails or meals while at the dock or at anchor.
