Overview

This is not your father's yacht! So, think outside the box and check out this very unique multihull power yacht. The Epoxy/Kevlar technology invested in this unique yacht is incredible, yet the simplicity is comforting. With her 3 1/2' draft and passive stabilization, Jonny Wasabi is truly a great family cruiser for The Bahamas, Keys and beyond, and she's efficient too. Try Palm Beach to Grand Bahama on 20 gallons by lunchtime! 3 nautical miles per gallon or 5 gallons per hour at a 15 knot cruise speed. A growing family and new home now require the seller to offer her to another family for similar memorable cruising. You have to see Jonny Wasabi in person to really appreciate how fun, safe and efficient this yacht would be to own and cruise. Price reduced!
